Safewire, Safe Wiring

Since 1998; 20+ years OEM factory for global brand

Service

About us

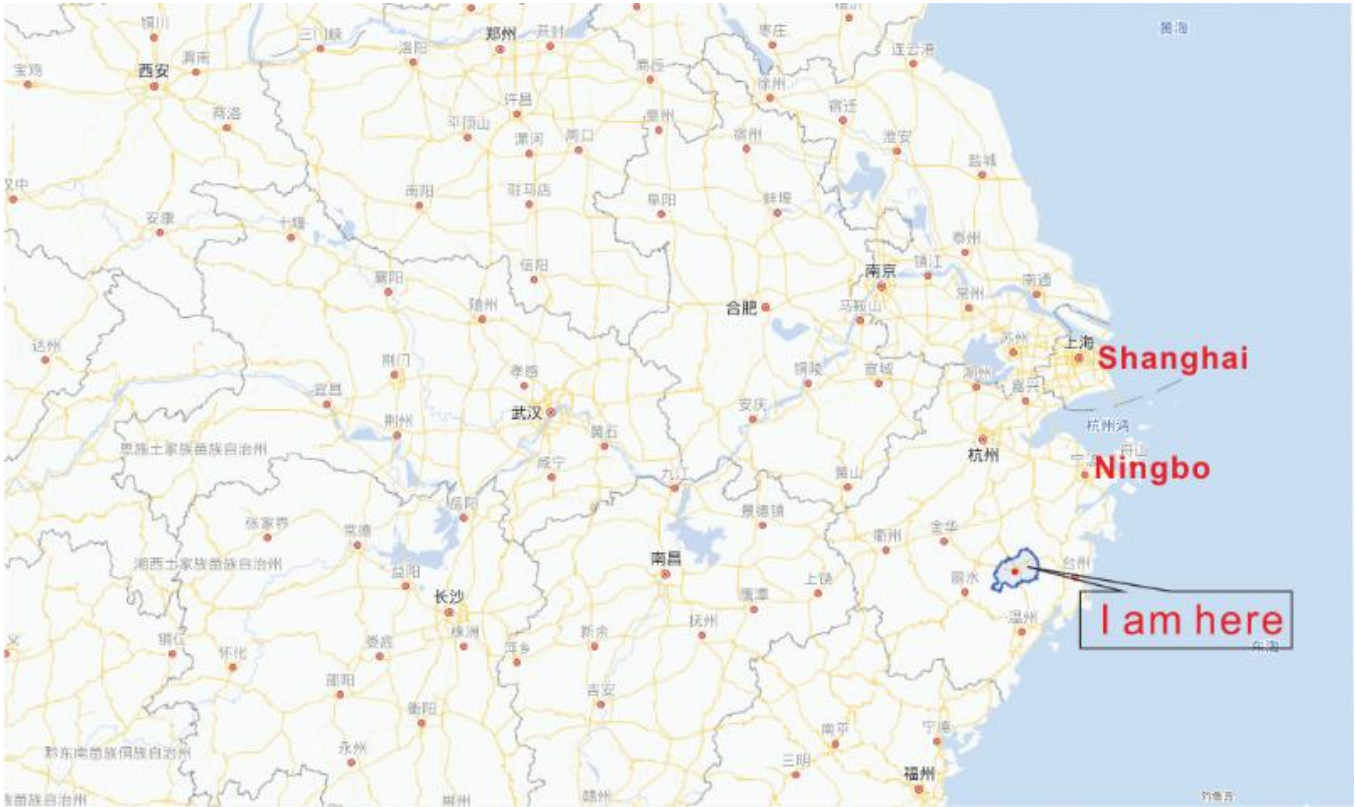

Our product

The Safewire behind the flagship brand Feilifu ,Feilifu Technology Co., Ltd was established on **1998**.

Since then, we embarked on the relentless pursuit of being the biggest supplier with over **5000 K** sets each year and **OEM** production for almost world-wide brand in China as we choose only the best and safest electrial products with their consumers in mind.

Production capacity

5000,000 sets/year

300 employeers

10 R&D engineer

Integrity process

Reliable -OEM/ODM Capabiity

90% parts produced in side

Equipment

We produce high quality electric products and export all over the world.

Our floor socket, floor boxes, underfloor junction box and other wiring system products are entirely produced in house with strict quality control.

Our production facilities include:

- Factory: 30,000 square meters building areas;
- R&D department: 3D design and engineers with vast experience and knowledge.
- Tools department: We have brand new CNC center with erosion machines, trilling machines and saw machines.
- Press department: Equipped with several new press machines for up to 100 t and 10 lathe machines metal cutting and bending machines. etc.
- Galvanization department: Newly refurbished automatic galvanizing line. We can make Ag, Zn, Ni and Tn plating on our metal and copper parts.
- Own independent electrical laboratory--Full routine testing for our own products, 300 sqm of advanced technology lab.
